May 2024 Update from your Board ...

TUESDAY LUNCHES

After 9 months of preparing and cooking up delicious meals for the crowds, our amazing kitchen volunteers are going to take a rest for the summer. Thank you to that team!

In preparation for the Fall start up, both our commercial dishwasher and ovens are undergoing major repairs. We'll be in tip-top shape for September!

So...

May 28th - will be the last lunch.

September 10th - we will be ready and waiting to serve you once again!

EXTRA, EXTRA...READ ALL ABOUT IT !!

September 12, 1979 was the official opening of our Seniors Activity Centre. With the Winfield population of only 9,100 it was a big undertaking for the community to raise enough funds for the building.

Winn Sutton, president of the Win-Valley Krafters was the driving force behind the project. With great determination she rallied the community to donate to this much needed amenity, along with a grant from New Horizons.

Many thanks to Winn for her foresight and energy!

OLD WOODWORK SHOP GETS RECYCLED

Our volunteers have been busy repurposing the old woodwork shop. It is now a large storage space for our kitchen necessities and freezers, previously crowded into a smaller room. That vacated storage room will be used by the lower level activities groups. Many thanks to David French, Sandy Wightman, Kevin Bowles and Dan Lamb for moving those large items.

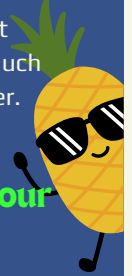

OFFICE HOURS

It's holiday time

Our office volunteer and receptionist extraordinaire, Diana, will have some much deserved time off through the summer.

Please note the changes to our office schedule.

May 29 and 31 - the office will be closed.

June, July and August - the office will be open on Wednesdays from 10 - 2 p.m.
