WOW!

We had our usual display tent at the Canada Day celebrations at Swalwell Park. Thanks to those of you who dropped by to say **HELLO!** We hope to see all the folks who enquired about joining the Centre!

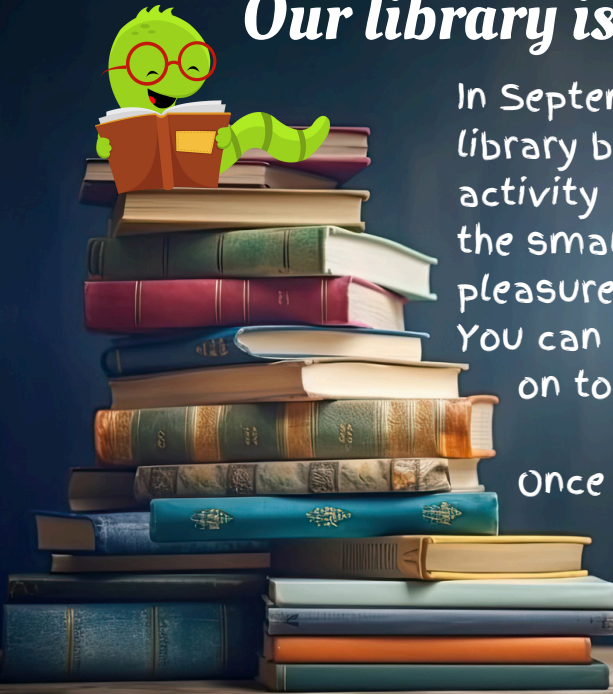

A timely rest for our kitchen appliances!

Several of our major kitchen appliances are being serviced over the summer. They all get a workout with 9 months of producing weekly lunches for upwards of 95 diners.

They'll be ready for action for the first lunch in September!

Our library is coming up in the world!

In September you will see a selection of our library books on display in the main activity room. Each week we will restock the small bookshelves for your reading pleasure.

You can take a book to enjoy, then pass it on to a fellow reader and a new home.

Once we have reduced our book supply, this new library location will be a "Take-a-Book-leave-a-Book". We'll let you know when.

Enjoy your summer
and we hope to see
you all in
September!

Produced for you
by Mary-Lou Wightman

It's the dog days of summer!
